Marbled Shamrocks Art Project

Materials: White Cardstock, Green (3 shades) Paints, Tupperware Container with Lid, Marbles (3) and Scissors.

Procedure: Cut out the shape of a shamrock using the cardstock. Place your shape inside the Tupperware container. Add three shades of paint in small amounts or dots to the shamrock. Add the marbles to the container. Place the lid on top of the container and let the child shake it up, rolling the marbles all around through the paint. Once you open it up you'll have your finished project!
