New Year's Eve Craft

Materials: Sparkly Stickers, Paper Plates, Markers, Glitter Glue, Crayons.

How To: Cut two small slits in paper plate prior to decorating it. Make sure number countdown strip can fit through. Allow children to decorate it however they would like. Once the plate is decorated place strip of paper through slits and write the numbers on the strip of paper. This helps to make sure the number is big enough to fit in the "window." Then enjoy!
