DIY Footprint Flowerpot

Materials:

- Clay flower pots & plate
- Acrylic Paint
- Paint Brushes
- Potting Soil and Plant or Seeds

Directions:

Wash kiddo's feet and then paint the design you'd like for the butterfly on their foot. Place the left foot on the pot for the right wing of the butterfly; then position the foot for the left wing. Next paint the body of the butterfly. Add extra touches (bees, ladybugs, dragonflies with fingerprints etc.).
