## FIREWORK ART

- A Fidget Spinner. One you can easily take apart to clean.
- Water Based Paints.
- Water.
- Paint Containers. One per color.
- Pipettes. If you do not have these medicine droppers work well too.
- Paper.
- Blue and Red Paint

### Procedure:

Start by watering down your paint. This will help them drip and splatter! Drip paint onto fidget spinner. Set fidget spinner on paper and spin. Two parts paint to one part water. This will ensure that paint drips and splatters.
