Frozen Banana Penguins

Ingredients:

- Bananas
- Orange M&Ms
- Melting Chocolate
- Candy Eyes
- Parchment Paper

Instructions:

Peel your bananas and cut them in half. Cut the backs off the bananas just a little bit to make them sit properly. Put them on a pan and place in freezer overnight. Dip the bananas in the chocolate head first and set back on wax paper to harden. Put a dab of chocolate on the bottom of each M&M and place for the nose, and then also one for each foot at the bottom. Dab a little chocolate on each eye and place on banana above the nose.

Thank You to our awesome families that helped with our Angel/CCK tree this holiday season! We appreciate you all so much! Also, a big thank you from all of our staff for the special gifts from all of our amazing families!

Snow Slime

Materials: Liquid Starch, Elmer's White Glue, Artificial Snow

Instructions: Stir together half a cup of white glue into half a cup of liquid starch. Stir at first and then mix with your hands. It should form a slime quickly. If it sticks to your hands add a little more starch, if too stringy add some glue. After mixing the slime add in desired amount of artificial snow. Store in a Ziploc bag.
