

Oobleck Treasure Hunt

Oobleck Treasure Hunt

Materials: Treasure, 1 cup Cornstarch, 1-1 ½ cup Water, Bowl, Spoon, Green Food Coloring, Shallow Pan.

Instructions: Add cornstarch to a bowl. Mix green food coloring into the water then pour the water into the cornstarch mixture. Start with one cup of water and add more as needed. It is a good idea to have extra water/cornstarch on hand if you need to add more of each. The consistency you want should be able to form a ball but pour out of your hand once you let go. Add mixture to shallow pan with treasure inside for better play surface.
