

# JUNE

## Bubble Snake Activity

### Materials:

- Empty water bottle
- Duct tape
- Sock
- Dish soap
- Food coloring.

### Instructions:

Cut the bottom of the water bottle off. Slide the sock over the bottom of the bottle. Secure the sock with duct tape to the bottle. Pour some dish soap into a shallow container with a little bit of water and gently mix. Dip the sock covered end into the solution and then gently blow through the top of the water bottle. Drop food coloring onto the sock to add color to your bubble snakes.
